Detail Introduction :

Expertly woven from durable, eco-friendly paper braid, these spacious totes are built to carry everything you need without losing their structured, elegant shape. The collection showcases a stunning variety of trendy designs—from vibrant multi-color striped patterns and chic custom prints to minimalist solid black finishes.

To elevate the look and ensure maximum comfort, many styles feature premium leather handles or sturdy paper braid straps. Exquisite details, such as bohemian tassels, add a playful touch to the silhouette. With generous dimensions (up to 45cm15cm33cm), there is ample room for your beach towel, sunscreen, water bottle, and even your daily laptop or market finds.
