Detail Introduction :

Crafted from premium washed cotton and durable denim, these hats feature a broken-in, ultra-soft feel right out of the box.What truly sets this collection apart is its meticulous "destruction" process. The carefully designed frayed edges (raw edges) on the brim and crown give each hat a unique, lived-in character. Choose the striking black version featuring bold red/pink letter embroidery, or the classic vintage denim option adorned with a vibrant cross-stitch pattern and a trendy side tag. Designed with a classic 6-panel structure and a pre-curved brim, these hats fit beautifully while providing that authentic, vintage trucker-style shape. The adjustable metal buckle at the back ensures a custom, comfortable fit for any head size.
