Detail Introduction :

Expertly woven from premium paper braid, this visor features a striking flat brim that not only maximizes sun coverage but also creates a sharp, modern look. The open-top design allows your hair to breathe and lets you effortlessly show off your favorite ponytail or bun.

Available in a spectacular array of colors to match any outfit, this collection features standout designs. Choose the striking black visor accented with a unique black-and-white woven fringe line for a touch of bohemian flair. Or opt for the soft pink and elegant blue versions, which come with beautifully contrasting ribbon bands and graceful bowknots at the back. Adjustable for head circumferences of 56cm-58cm, it guarantees a secure, slip-free fit.

Product Highlights

Innovative Open-Top Design: Keeps your head cool and your hair perfectly styled, making it the ultimate summer accessory for those on the go.

Spectacular Flat Brim: The wide, structured brim provides superior UV protection for your face and eyes without obstructing your vision.

Exquisite Detail Variations: From trendy black-and-white fringed edging to elegant contrasting ribbons and delicate rear bowknots, every detail is designed to dazzle.

Premium Breathable Paper Braid: Lightweight, durable, and eco-friendly, ensuring maximum airflow even on the hottest days.

Customizable Comfort: Features an adjustable back closure to comfortably fit head sizes between 56cm and 58cm.

Product Applications

Outdoor Sports: Perfect for tennis, golf, hiking, or jogging—keeping the sun out of your eyes without trapping heat.

Beach & Pool Days: A stylish way to protect your face while lounging by the water or enjoying water sports.

Summer Travel & Theme Parks: Keeps you comfortable and hands-free during long, sunny days of sightseeing.

Daily Commuting: An effortless, sporty-chic addition to your everyday casual wear.

Why Choose Us

Flawless Weaving Technology: Our paper braid visors are tightly woven for maximum durability and a premium, structured finish that holds its shape.
